## **DETAILED ACTION**

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Claim 1 recites an antenna apparatus comprising a first antenna having a first antenna conductor formed in a loop for receiving a first frequency band, wherein the first antenna conductor including a conductive antenna member substantially in a shape of a tube having an inner space portion, and a second antenna having a second antenna conductor for receiving a second frequency band, wherein the second antenna conductor is housed in the inner space portion of the first antenna conductor.

None of the prior arts shows or suggests this antenna apparatus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
